abc enterprises

COMPANY PROFILE

Background:

ABC Enterprises was established in 1993 as a desk-top publishing IT Equipment and General Order supplier entity, which swiftly diversified and expanded its activities and became a vertically integrated enterprise encompassing all spheres of the simple to complex and multi-color printing jobs/IT Equipment and General Order supplier. With the passage of time, **ABC** not only grew as a **One-Window Printing Facility** but also developed its reputation as one of the most trusted, efficient and Economical Printers /Stationer and General Order Suppliers.

ABC has good reputation in the market of being a trustworthy corporate citizen. It is able to mobilize resources for handling both small to big printing jobs, IT Equipments, Stationery Items and General Orders within shortest possible time without compromising on quality.

ABC owns all the state-of-the-art technology, machinery and equipment for all types of printing work such as diaries, calendars, books, pamphlets, brochures, multicolor graphic, art work, stationery, insignia, etc.
